Privacy Notice For Event Participants or Visitors

Isuzu Motors Asia (Thailand) Company Limited and its affiliates (as listed in the annex) (collectively referred to as "we") are committed to protect personal data of event participants or visitors (hereinafter referred to as "you") pursuant to Personal Data Protection Act B.E. 2562 ("PDPA")

In this privacy notice, we are a data controller who collects uses or discloses your personal data under PDPA. To comply with PDPA, a data controller must inform a data subject of the purpose of the collection of personal data based on the lawful basis; retention period; the categories of persons or entities to whom the collected personal data may be disclosed; and rights of data subject, we, therefore, publish this privacy notice for event participants or visitors under section 23 of PDPA.

This privacy notice under section 23 of PDPA is announced by Isuzu Motors Asia (Thailand) Company Limited and the companies as listed in the annex. Unless a company has its own specific privacy notice and publishes its privacy notice under this section 23 of PDPA, this privacy notice shall not apply to such company.

We may update this privacy notice from time to time as appropriate. In the event this privacy notice is amended, we will announce an updated privacy notice on this website. This privacy notice will be effective immediately on the date of announcement.

1. What Personal Data We Collect

Personal Data means any information relating to a natural person, which enables the identification of such natural person, whether directly or indirectly, but not including the information of the deceased persons in particular. We may collect many types of personal data depending on the purpose of processing such data which include personal data as follows.

1.1 Personal Information for registration and participation in activities such as name, surname, age, address, contact number, email, online chat, social media account, instant messaging account.

1.2 Video and audio, both still images and motion pictures that we may record in our event.

1.3 Information about activities or events that you have participated in in the past or that you have registered;

1.4 Financial information such as details of your payment

1.5 In the areas that we install CCTV, we collect, monitor, and process your images and video recorded by CCTV (we do not record audio) in such areas and this information can be used to identify you. However, we will display signage to notice you about the areas where CCTV is in operation.[1]

1.6 Visitor Records such as name, surname, telephone number, email, identity card information or other similar proof of identity; when you enter our premises by vehicle, we collect and process the registration number of the vehicle.

1.7 We have the register system when you use our Wi-Fi services. Personal data that we collect in order to provide the Wi-Fi services to you includes first name, last name, telephone number, email, browsing history, date and time etc.

1.8 Sensitive Data for example, health information, biometric information, religious, racial, and ethnic

2. Why We Process Your Personal Data

2.1 We will collect use and disclose your personal data under following the legal basis.

(1) It is necessary for the performance of a contract to which you is a party or in order to take steps at the request of you prior to entering into a contract. For example, when you participate in our event or visit our premises.

(2) It is necessary for compliance with a law to which the data controller is subjected. For example, to comply with laws, regulations, or other orders of competent authorities.

(3) It is necessary for legitimate interests of the data controller or any other persons or juristic persons other than data controller. For example, to manage and administrate our event and business, to publicize or advertise such event or related report, to develop our goods and services, to provide security, to control access to buildings, indoor areas, and to prevent and detect crime.

(4) It is necessary for preventing or suppressing a danger to a person's life, body, and health, for example, to prevent epidemic, to provide first aid, to provide medical treatment, or to make contact in case of emergency.

(5) It is necessary for the establishment, compliance, exercise or defense of legal claims.

[1] This shall apply to the Company that installs CCTV only.

(6) It is required by law to obtain your explicit consent under PDPA. For example, to use your ID card to identification which having religious or blood type, food allergies or any health information.

2.2 In case, it is necessary for us to collect, use, disclose your personal data in order to perform the contract or comply with law, but you do not give such personal data to us. As a result, we may not be able to perform the contract or follow your request or we may violate the laws or have other negative impacts.

3. Changes in the Purpose of Processing Your Personal Data

We will process your personal data within the purpose stated in this privacy notice. If we are necessary to process your personal data for the purposes other stated in this privacy notice, we will immediately notify you.

4. How We Collect Your Personal Data

We will collect your personal data directly from you when you contact us; register for participate in any activities with us; have transaction with us; contact us via website or social media or telephone.

We will use cookies to collect your personal data when you access to our website. (Please see Cookies Policy of such website you access)

5. Disclosure of Your Personal Data

In case of necessity and achieving the purpose of collecting, use, and disclose your personal data according to this privacy notice, we may disclose your personal data to the following natural persons and juristic person, for example,

(1) Our affiliates as listed in the annex

(2) Service providers, contractors, any relating agents, or relating contract parties.

(3) Government agencies or entities under other laws

6. Transferring Personal Data Overseas

In case of necessity, we may transfer your personal data to our affiliates which are located in foreign countries as listed in the annex

In order to protect your personal data which is transferred to overseas, we have put in place a personal data protection policy regarding the sending or transferring of personal data to another data controller or data processor who is in a foreign country and is in the same affiliated business

7. Security Measures

We have appropriate security measure to protect your personal data from loss, unauthorized access and use, and unauthorized disclose, change, or destruction.

We will have access control only for employees, contractors, representatives, third parties who need to know and perform their duty. If there is any third party processing of your personal data, we will control such third party to process your personal data within our instruction appropriately.

8. Retention Period

We will retain your personal data for the period necessary to meet the objection under this privacy notice. The retention period will depend on the necessity of performance of contracts between us, the necessity of compliance with a legal obligation, or prescriptive period for establishment, compliance, exercise or defense of legal claims.

We will delete or destroy your personal data when the retention period expires or when it becomes irrelevant or unnecessary for the purpose of collecting that personal data.

9. Your Rights as a Data Subject

9.1 You have the rights as a Data Subject under PDPA as follows:

(1) Withdraw the consent you have given to us;

(2) Request to view and copy your personal data or disclose the source where we obtain your personal data;

(3) Send or transfer personal data that is in an electronic form as required by personal data protection laws to other data controllers;

(4) Oppose the collection, use, or disclosure of personal information about you;

(5) Delete or destroy or make your personal data non-personally identifiable (anonymous) information;

(6) Suspend the use of your personal data;

(7) Correct your personal information to be current, complete, and not cause misunderstanding; and

(8) Complain to the Personal Data Protection Committee in the event that we, our data processors, our employees, or our contractors violate or do not comply with personal data protection laws.

9.2 You can exercise the rights under this section 10 by using the Data Subject Request Form, Consent Withdrawal Form which shows on our website through the contact information in section 10 or you can contact us directly via such contact information You will be able to exercise your rights when the law is enforced.
